County Manager

SUBJECT: Proposed Amendment to Chapter 1, Section 2-11-2.1
Retire a County Animal

Agenda Item No. 7(E)

RECOMMENDATION

It is recommended that the Board approve the attached ordinance that amends Chapter 1 of the Miami-Dade County Code, pertaining to Disposition of County Surplus Property, and creating Retired County Animal section.

BACKGROUND

On January 13, 1998, County Ordinance 98-6 stipulated the disposition of County surplus property. Animals that perform a job for the County have been included in this policy. Currently, when an animal is deemed eligible to retire by the County contracted veterinarian and recommended for placement with its handler, each adoption requires Board approval through a resolution. Adopting the proposed ordinance amendments will streamline this process and expedite the animal's placement upon its retirement.

The proposed ordinance, amendments and subsequent administrative order were developed in conjunction with the County Attorney's Office and establish the definition of a retired County animal and the requirements to retire a County animal. A retired County animal is defined as an animal that has been withdrawn from County service, as determined by a licensed veterinarian under contract with the County, to be no longer of service to the department for which the animal was being used. Upon written confirmation by a licensed veterinarian under contract with the County, the department head where the animal's services were used may recommend to the County Manager the retirement of the animal as he/she deems appropriate to include, but not be limited to, allowing a current or former Miami-Dade County animal handler to adopt the animal upon completion of a retired custody animal affidavit.

This ordinance amendment will have no fiscal impact to the County.

Funds derived from this source shall not be used as an offset or to reduce funds made available to these organizations from other County sources.

Section 4. It is the intention of the Board of County Commissioners, and it is hereby ordained that the provisions of this ordinance, including any sunset provision, shall become and be made a part of the Code of Miami-Dade County, Florida. The sections of this ordinance may be renumbered or relettered to accomplish such intention, and the word "ordinance" may be changed to "section," "article," or other appropriate word.
